

India's First Crossbow Shooting Star

“ I Believe being a Natural Person winning in life is important but the journey is more meaningful and difficult. Let's face it as roller Coaster are for more thrilling than merry Go round.”

India is a country which is fast making progress with crossbow in turns of crossbow shooting.

India first crossbow shooting star from Agra Mr. Rajat Vij has brought new advance version of Archery named “CROSSBOW”.

As Crossbow is like an archery game but a bit different Crossbow is an international game basically played in Europe , America. Australia, but a new invention for India.

In Archery we shoot arrow with thumb and in Crossbow we have to pull the string fit arrow & shoot it with trigger.

During an interview a striking feature about this shooter MR. Rajat Vij is that he is very calm as cucumber.

Rajat is fondly Known as Sonu, is a businessman dealing in Leather with his father Mr. Krishan Lal Vij (Bhagat Ji) in Hing Ki Mandi. He Does Crossbow shooting to get relax. It is a great way to relax after a hectic day of work =

But few year back after he lost his mother due to some reason and very much up and down with his business stuff, he has gone in to the depression but eventually the only way came out through this game

A 31 year old Rajat from Agra(A Father Of Two Kids) has played many National's, but through his dedication of hard work , he has been selected for the 6th World Crossbow Shooting Championship in Visby (Sweden) in Aug 2013. Where many other countries has participated like Finland. Poland. Germany, Australia, India, America, Sweden, Japan, Estonia etc.

That competition was basically being of 3 round. 1st day & 2nd Day in round one he got 775 points out of 1200 & placed 14th position out of 59 shooter's

3rd day in round 2nd that was match play where he was in top 16 position.

4th day in round 3rd that was forest round where he stood at 4th position out of 46 shooter's which makes him the first person from India in Open Men

category in the history of this game and also recorded his name in Asian records by scoring 165 points in 35 mtrs. Slowly and steady he starts training to the students who belong from Punjab and Madhya Pradesh as most of them are air rifle Shooters.

After few months passed he got a chance to promote this game Crossbow in Srilanka , in Nov 2013 got a good success and updated with an interview with upcoming articles in the national newspaper of Srilanka , "The Nation "

With heading "THE HEALING EFFECT OF CROSSBOW SHOOTING" written by Mr. Ravi Nagahawatte (Sri lankan reporter).

After coming back from srilanka another key is standing in front of Rajat for his grand success , again in Sweden, Gothenburg (29th Nov to 1st Dec 2013) in "Swedish Open Championship " which is organized by Mr. Micky Skottlund.

"God father of Crossbow shooting he is also a president of Goteborgs Armborst

& bogskytteklubb G. A. K. Sweden .

There as an captain of team of 7 shooters to represent India he visited there to play 18 mtrs, Indoor competition , and won silver medal for INDIA.

As , again another key of success is there for him a grand news got after coming back from shooting competition he was appointed with a post from World Crossbow Shooting Association as "ASIAN DEVELOPMENT OFFICERS"

Through many challenges he faces in his life with his family support and also after being a family member of World Crossbow Shooting Association another challenge he except . He start planning to conduct a Crossbow Championship in Agra . with the permission of WCSA he announces that he is organizing the

"1st INDIAN OPEN CROSSBOW SHOOTING CHAMPIONSHIP" in his city Agra in Feb 2014.

"A STONE THROW AWAY FROM THE WORLD RENOWNED TAJ MAHAL".
